

# Westfield Wonderland Holiday Light Contest

## Descriptions of Categories

- Deck the Halls—Deck your house with traditional lights! Light displays must capture classic and old-fashioned light displays. White lights only. No inflatables in this category. The amount of lights and decorations won't be as important as capturing the traditional sense of the holidays.
- North Pole— Show us your lawn design and characters! Include any holiday inflatables and light up characters. Will the Grinch make an appearance? Or maybe Frosty the Snowman? Must have at least 3 inflatables and other light up characters.
- Be the Light! — Your house must be the brightest on the block! Including excessive use of multi-colored lights and a brightly decorated home. You may include motion lights and music.
- It's a Wonderful Life— This is our professional design category. Light designs must be done by a company/professional who does light displays. Must provide the company name when registering.
- Eight Crazy Lights— Show us your best Hanukkah display! Show us your creative use of lights and holiday inflatables!
