### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

# SUPLEE, CLOONEY & COMPANY

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

WESTFIELD SENIOR CITIZENS URBAN RENEWAL PARTNERSHIP L.P.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

(1) ORGANIZATION

Westfield Senior Citizens Urban Renewal Partnership, L.P. (the Partnership) was formed as a Limited Partnership in the State of New Jersey in December 1993. The Partnership was formed to construct and operate a 130 unit apartment building providing affordable housing to low and moderate income senior citizens. The project is located in Westfield, New Jersey and was placed in service on October 19, 1995.

The general partner of the partnership is Second Westfield Senior Citizens Housing Corporation (Westfield II), a New Jersey not-for-profit corporation organized under IRC Section 501 (c)(3) for the purpose of operating the project. The project is on land adjacent to a low and moderate income senior citizen project which has been in existence since 1978 and which is operated by Westfield Senior Citizens Housing Corporation (Westfield I). Both projects are situated on property owned by the Town of Westfield, New Jersey.

The project has qualified for and been allocated low income housing credits pursuant to Internal Revenue Code Section 42 (Section 42) which regulates the use of the project as to occupant eligibility and unit gross rent, among other requirements. The partnership has executed a Deed of Easement and Restrictive Covenant for Extended Low Income Occupancy which requires the utilization of the project pursuant to Section 42 for a minimum of thirty (30) years, even if the partnership disposes of the project.

Westfield I and Westfield II are under common control. These affiliates share operating personnel and services for the efficient management of both apartment buildings. Accordingly, Westfield II will reimburse Westfield I for various shared expenses on a current basis. In addition, Westfield I extended a mortgage loan to the Partnership in the amount of \$5,200,000.

On September 1, 2011, the partnership interest of the limited partners was purchased by Boynton Mews L.L.C., a wholly owned subsidiary of Westfield II.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the more significant accounting policies:

Basis of Financial Statements

The financial statements of the Partnership have been prepared on the accrual basis in accordance with generally accepted accounting principles

WESTFIELD SENIOR CITIZENS URBAN RENEWAL PARTNERSHIP L.P.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash Equivalents

For purposes of the Statement of Cash Flows, the Partnership considers all highly liquid debt instrument purchases with a maturity of three months or less to be cash equivalents.

Investments

Investment portfolios are valued in the aggregate at fair value. The fair value of all debt and equity securities with a readily determinable fair value are based on quotations obtained from national securities exchanges.

The primary objective of the Partnership's investments is capital appreciation and absolute return without undue exposure to risk. Investment funds are selected to support long-term goals, and provide a reasonable rate of return.

Fixed Assets

Property and equipment are stated at cost at date of acquisition. Depreciation is based on an estimated useful life of the acquired assets, applied on a straight line or double declining balance basis. Costs of building projects in process are recorded to Construction in Progress and capitalized for depreciation upon completion.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

Income taxes on earnings or tax benefit of losses were realized by the partners through 2010. Effective September 1, 2011 with the change in partnership interests, the Partnership became a disregarded entity for tax purposes. Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

Westfield II is exempt from federal income taxes under the provisions of Section 501 (c)(3) of the Internal Revenue Code and is required to file IRS Form 990 (Return of Organization Exempt from Income Tax).

The most significant tax position of Westfield II is its assertion that it is exempt from income taxes. Other significant tax positions include its determination of whether any amounts are subject to unrelated business tax (UBIT). Management has determined that Westfield II had no activities subject to UBIT in the year ended December 31, 2015. All significant tax positions have been considered by management and it has determined that it is more likely than not that all tax positions would be sustained upon examination by taxing authorities.

The IRS Form 990 of Westfield II is subject to examination by the Internal Revenue Service (IRS) up to three years from the extended due date of the tax return. The Forms 990 for 2012 through 2014 are open to examination by the IRS as of December 31, 2015.
